

Spiritual Overflow: Knowing and Using Your Gifts

We are nowhere living life or conducting church as God wants. What passes for passion is actually mediocrity; what seems to be service is merely activity. Our task as believers is to GROW through confession of our sins, study of the Word, prayer, endurance of Gods training, and accessing the gifted services of other believers. This book is about our greatest responsibility, which is to HELP OTHERS GROW...as we are growing. When all believers are united in devotion and love and service, and when all are living in the power of the Holy Spirit, the church will become an unstoppable juggernaut. This book tells HOW this is done.
