

Spiritual Guiding From Those Above Us

Spiritual guidance comes to us from many directions. Attending Spiritual Church services and being shown the proof that people who have passed over into spirit are still watching over us even though we cannot see them. Moving through our daily life, there are times when one can feel something is guiding us through these times. They can be of difficulty or happy moments. Something deep within, is letting us know that the knowledge given is coming from above us at times; from spirit, a loved one that has passed and is showing that they are with us at all times. Enjoy these poems and know you are loved and guided also.
