

Sadie-in-Waiting (Life, Faith & Getting It Right #2) (Steeple Hill Cafe)

Wileyville, Kentucky, needs a graveyard superintendent. Accepting the mayors proposition, Sadie adds Fraidy Sadie the Cemetery Lady to the other roles that sometimes seem unreal to her--former Dogwood Blossom Queen, pharmacists wife, mother of two teenagers, daughter of a man who fancies himself King Solomon--or King Lear? But her daddys antics and a journey with her sisters into the past bring Sadie a stunning revelation, and an understanding of what shes been waiting for.
