

## WALL-E: Lots of Bots (Digital Picture Book)

Wall-e has just arrived in space and is searching for his friend, Eve. To his surprise, robots are everywhere. From paint-bots to crane-bots, each quietly does its job. But when Wall-e spots Eve, a boisterous chase begins, and suddenly everything goes haywire. This spirited take on the film Wall-e features lively verse and a fresh visual approach from a Pixar artist.
