

## Love Empowering Capsules: Take One A Day

Believing in God's grace is one thing a wonderful idea in theory. But how do we apply it to our daily living? Wherever did we get the idea that God is a small-minded bookkeeper, tallying up our failures and successes on a score sheet? How we score in life has no bearing on the degree of grace we receive. We are the objects of God's furious love pursuit. It is time that we rest and luxuriate in this liberating knowledge. If Christians are guilty of anything, it is navel gazing. So much time is spent with self-introspection, self-recrimination and self-condemnation. Somehow we have lost sight of the fact that we are made right because of what Jesus did and not because of what we did. Love Empowering Capsules brings our perspective back to our privileged position of dearly loved children who are fully empowered to lead overcoming and abundant lives brimming with peace and joy. I believe that Deon is a strategic champion of a glorious grace revolution taking place throughout the earth. - Rob Rufus, Pastor of City Church International Hong Kong
