

Three Woes For Babylon: Revelation; The Same Yesterday, Today and Forever

Andy's book, *Three Woes for Babylon: Revelation the Same Yesterday, Today and Forever*, is excellent for anyone new to the book of Revelation, as well as those who have read many commentaries on Revelation. While delving into the hidden points that can be difficult to understand, (or even noticed) buried in the scriptures, Andy never forgets what is truly important about Revelation or any other book of the Bible. What is the core of Revelation? What did John attempt to communicate to those who were to receive this wonderful revelation of encouragement? What did God want to communicate to every disciple from the late first century, to today, until the Day of The Return of our Lord? So many books on Revelation will break down the scriptures in an impractical or inaccurate fashion. Andy's exegesis gives the reader insight without confusion. He does not; Miss the forest for the trees. The trees are lovely, and we should examine them, but not at the expense of admiring the beautiful forest that is Revelation Nestor Rivera Irishrigan@blogspot.com
