

Named: The Disciples: A Workbook for Individuals and Small-Groups (Named: Gods Story Finds Its Place in You)

Named is a small-group resource that tells the story of people from Scripture through a new lens exploring the mystery of faith with a literary touch. Each series introduces 6 different characters in the Bible unpacking one every week. Become acquainted with the people God identified in a story as particular as you. The Disciples Summary: They wouldn't stand out in a crowd, they weren't considered the smartest or the strongest, and they probably wouldn't have been picked first in a dodgeball. But Jesus wasn't recruiting a dodgeball team. He was looking for a group to get behind Him to be His voice, His hands, and His feet after the inevitable. He needed the real deal. He needed committed followers. The Disciples will introduce six of the twelve men who devoted their lives to Jesus. For some the cost was high. These men sacrificed their careers, their possessions, and for some their lives. The Disciples include Peter, James, John, Andrew, Thomas, and Matthew.
