

Words Matter-What we say, pray, and write can change our families!

Do the words we say really matter? Has anyone ever said they were proud of you, that you were talented, valued, and loved? Did these words move, transform, and motivate you? What words have stuck with you since childhood? Have they given you life or pain? We teach our children to become independent, yet we often forget to enlighten them about the power of their words. Do your kids know that what they say they sow, and what they say over and over they believe? And how they use their words will affect their future? Yes, words do matter to God, to others, to ourselves, to our kids. Whether spoken, written, or imagined, they have the power to transform or destroy lives. Through our words we challenge our children, guide them, inspire them, and love them. Read *Words Matter* and discover with your family through hands-on, faith-filled, and fun activities with Scripture what God says about the power of words. It just might change your life and your children's lives forever!
