

The One True Thing: What Is Worthy of Your Lifelong Devotion?

Every human yearning at its core is a desire for God, and God is calling out to us through our daily scrambles to control life. The pursuit of God is the one true thing that simplifies and integrates all other things. In this small book that addresses the largest of themes, the author uses great writers of the past and biblical stories to guide us through three stages of pursuing God: seeking, choosing, and ultimately valuing Him above all else.
