

## Marvels Thor: The Dark World (The Junior Novelization)

[Read by Jim Meskimen] An ancient darkness will return to claim the Nine Realms . . . and Thor! The Asgardian warrior continues his big-screen adventures in Marvels Thor: The Dark World as he battles to save Earth and all Nine Realms from a shadowy enemy that predates the universe itself. In the aftermath of Marvels Thor and Marvels The Avengers, Thor fights to restore order across the cosmos . . . but an ancient race led by the vengeful Malekith returns to plunge the universe back into darkness. Faced with an enemy that even Odin and Asgard cannot withstand, the legendary warrior must embark on his most perilous and personal journey yet, one that will reunite him with Jane Foster and force him to sacrifice everything to save us all.
