

## Magic Muddle! (Airy Fairy Books)

Everybody knows that fairies are charming little creatures, dainty, pretty, and tidy. Airy Fairy is different. Young readers who make her acquaintance soon realize that she does have charm?but dainty? Tidy? Not Airy Fairy! Kids will laugh as they read these stories about the messiest fairy in town. Funny stories, vivid characters, and amusing line art fill the pages of the Airy Fairy series. Each story appears in chapters, just like an adults novel, but Airy Fairys humorous adventures are written on a level that will appeal to girls and boys. In this funny story, Airy Fairys school is the scene for a series of student athletic events. Who is the fastest, fittest, sportiest fairy in the academy? But clumsy Airy Fairy has a feeling that shes heading for disaster. Black-and-white illustrations on nearly every page.
