

Unfunded: From Bootstrap to Blue Chip Without Round-A Capital

In the startup community, funding is all the craze. But what if you could build a business from scratch? What if you didn't sell equity in the early stages? Could the business grow? Have businesses been built like this? Yes, it can, and they have. There exists a rare breed of entrepreneur, one who has what it takes to create a business self-funded, bootstrapped, and build it into a blue chip company. If you are that entrepreneur, then you've come to the right place. Unfunded... It's challenging. It's trying. It takes time. It starts smaller. It grows slower. But then again, that may be precisely what you're looking for. Are you ready to go unfunded?
