

Eloahs Amulet (Eloah Series Book 1)

Elementals? Forest Queens and a Woodland Princess? No, those things aren't meant for Beurie FLarian. Or so she thought. The leaves and creatures of the forests though, had a different idea for her, or rather Eloah, the creator of all did. On the night of the Rumus town festival, Beurie's Earth Elementals powers erupt in a miracle-growth fashion when she and two friends are at risk from being attacked from Kane and his gang of Needles. When her best friend Logen is kidnapped, Beurie is torn between saving her friend-turned-kissing-thing Drake from joining the Needles, and training in her newfound elementals. Join Beurie as she learns to tame her heart, her powers and most importantly the forest.
