

Defending Our Faith: The Christians Handbook

Have you ever felt a bit like the troubled man who professed to Jesus: Lord, I believe. Help me overcome my unbelief!? Do you want to dig deeper into your faith so as to become more sure of what you hope for, and certain of what you cannot see? Havent you questioned whether there is any scientific support for the Genesis creation account or historical evidence to confirm the ministry, crucifixion and, yes, post-resurrection of a man named Jesus? Will you not be challenged in the future by either a skeptical critic or genuine seeker to defend Christianity with facts and not simply faith? If you answered yes to any of these questions, then this handbook written in succinct outline form is just what youve been looking for!
