

Maddie and the Ruby Pendant

Maddie, a 12-year old, is crossing the Atlantic with her wealthy grandmother on the S.S. Mauretania, a luxury ship. She finds out her new friend, Helene, is in danger; her grandmothers valuable pendant goes missing; Maddie doesnt know who to trust, but learns she needs Gods help. Just before the end of the voyage, three people disappear, including Maddie. The mystery deepens and the grandmother is frantic. In the end, the grandmother also learns about the need to trust in God and not in earthly riches.
